**COVID-19 Vaccine is available for you!  
Schedule now.**

The Pfizer COVID-19 vaccine is now available in our office by appointment for patients 12 years and older! Please note, our office received a limited supply of vaccines so we are unable to vaccinate parents at this time.

Getting your COVID-19 shot is easy, quick and safe. Ready to schedule your first shot? [Click this link to schedule now!](#) All second shots will be scheduled in office by our staff when receiving your first shot so there is no need to schedule your second dose online. Please note, you will be required to wait in our office for 15 minutes after receiving each shot.

**3 reasons to get your vaccine now:**

- 1. Do it for yourself** - Getting vaccinated will help keep you from getting sick with COVID-19.
- 2. Do it for your friends and family** - Wearing a mask, social distancing and getting a vaccine is the best way to keep you and your loved ones safe.
- 3. Do your part to stop the pandemic** - Getting your shot will get you and others back to school, work and seeing friends and family sooner.
