Your provider at Pavilion Pediatrics recommends that all children 6 months and older get this year's flu vaccine. With in-person activities picking up and the ongoing COVID-19 pandemic, making sure your child is up to date on vaccinations is more important than ever.

We will be offering our Saturday and Sunday outdoor Flu Clinics again this year for both patients and parents/guardians of Pavilion Pediatrics. Our first Flu Clinic will be held on Sunday September 26, 2021. These Flu Clinics are by appointment only. We have plenty of Flu Vaccines available! [Please click this link to schedule!](#)
