Flu vaccines now available!

Pavilion Pediatrics recommends that all children 6 months and older get this year's flu vaccine. With in-person activities picking up and the ongoing COVID-19 pandemic, making sure your child is up to date on vaccinations is more important than ever.

We are offering in office appointments for Flu Vaccines for both patients and parents/guardians of Pavilion Pediatrics. Please call our office to schedule your Flu Vaccine appointment at (410)583-2955.

Flu Vaccines can also be given during in office well visits. Please let our staff know you would like to receive the Flu Vaccine when you arrive for your appointment.
